High Scoring Varsity Achieved 8—14 Season

Sharp shooting from the field combined with determination and teamwork, helped the Burros finish the season carrying a 70-point average per game. Coach Compton also added a very effective full court press to the Burros' defense. The team employed the press often and to great effect, especially in the 100--58 victory over New Ross. Though not abounding in height, the tallest man was 6'1", the Burros fought for the rebounds and were able to fast break effectively.

The Burros finished fifth in the county standings. At the Cascade tourney, the Burros picked up a third place finish behind Cloverdale and Cascade.

Long hours of hard practice were needed for setting up plays.

The Burros made up for their lack of height with rebounds like these.

John Hastings broke the old record in the mile run with a time of 4:49.8; Dwight Lindley set a new 100-yard dash time with :10.6; and Roger Keltner completed the two-mile run in 11:24.6. Pittsboro placed third in the Big Four Conference against Darlington, Waynetown, Waveland, Wells, Roachdale, North Salem, New Ross, and Linden. Having lost only three seniors, the track team anticipates a promising season in 1970.

After losing only one letterman from the 1967-68 season, the Burros returned with nearly the same club. Coach Williams scheduled many games early in the season, along with the Big 4 Conference tourney and the IHSAA Baseball sectionals.

Seniors Graduated May 18

The seniors passed through the doors of PHS for the last time on May 18, 1969. Baccalaureate was in the afternoon at one o'clock, and the commencement was at eight o'clock in the evening, as it had been for the past two years. Reverend Yearick was the baccalaureate speaker, and Representative John T. Myers was speaker at the commencement. Donna Carter was valedictorian and Donna Merritt was salutatorian.

Juniors Plan for '70

Officers: Dwight Lindley, Pres., Rex McCullough, V. Pres., Kandi Shirley, Sec., and Sharon Stevenson, Treas. led their class.

To finance the annual Junior-Senior Prom held May 10, 1969 at Stouffer's Inn in Indianapolis, the junior class launched their magazine sales. The juniors topped all previous records in the sales by profiting over $1,000. The leading salesmen were Rex McCullough, Barbara Morgan, and Jamie Land. Rex and Jamie received a camera as rewards for their achievements. The junior class was awarded a plaque and two bell-shaped paper weights as prizes for their accomplishment. The juniors directed sales at the concession stand during junior high and high school basketball games. Here they sold candy and soft drinks for profit. They also earned a percentage of the proceeds from candy and ice cream machines at school.

Dome designed rings, now the official school ring of PHS, were first worn by the class of '71. The ring, gold in color, bears the school mascot, a burro, on one side and the school crest on the other. Selection of the stone was the individual's choice, and the wearers' initials were engraved on the inside. Graduates will have no trouble in recognizing the members of following classes. Through films, classwork, and actual driving experience, the sophomores learned the fine techniques of driving skills. They looked eagerly to the time when they, too, would gain their driver's licenses and experience the joys of being teenage drivers.

Leading the sophomores were Pres., D. Thomas; V. Pres., R. Roseboom; Sec., T. Hudson; and Treas., B. Nothstine.

BILL GRIMES'
STANDARD

Pittsboro, Indiana

We would like to thank the Danville CITGO and Dr. Jerry Travelstead, DDS. for donating toward the financial success of our yearbook.

Randy Ward,
Business Manager

Kathy Linton read the last chapter for the class of '69.

Donna, Chris and Phyllis cheered when the last bell rang . . .

and so school was out.

Many different people were needed to perform a variety of tasks on the yearbook staff. Whether they drew layouts, cropped pictures, typed stories, sold ads, or just brought in refreshments, each person was important. Now each has left the yearbook room with the echoes of their laughter and their sighs. They have gone in different directions, ready to perform more important tasks, I would like to thank everyone on the staff who spent long hours after school and on weekends to help make PROGRESS, 1969 possible.

Donna Carter, editor.

With bowed head and stooped shoulders, Mr. "Z" watched the last student leave.
